GETTING THERE:	

Have you ever wanted to visit another planet? Well, this is the hike for you! Bring your camera to take pictures on this other worldly, family friendly hike of all the alluring natural wonders of balancing rocks and hoodoos with their unique colors and shapes. This hike gets its name from the toadstool formations as seen at the end of this hike. A toadstool is a rock formation which has a boulder perched on a rock of a smaller diameter, like a mushroom, or "toadstool." This environment is the perfect condition for these formations.

- From Kanab drive 45 miles east on HWY 89.
